Over The

These last four years that we've been through
So much has happened, we're long overdue
To go back and take a very good look
And flip through the pages of our old yearbooks

On the first big day : Freshman Registration
We found all our books, moving station to station
Feeling nervous, apprehensive, and so out of place
We met our new class mates, at last face to face

As underclassmen we were restricted as to
The places we went and the things we could do
But as we got older we found something new
We discovered ourselves and adopted fresh new views

As upperclassmen we began diving to school
We recieved more privileges; we bent the rules
We did homework in groups and studied together
And slept through classes that dragged on forever

Years

Our senior year began with college applications
Our favorite days in gym were class evacuations
As a class we developed a unique Senior Style
Playing sports, joining clubs, and studying all the while

As mentors we helped the freshmen adjust
To a new lifestyle and gave them someone to trust
Now leaving them behind, we hope to stay in touch
Throughout a lifetime that will change so much

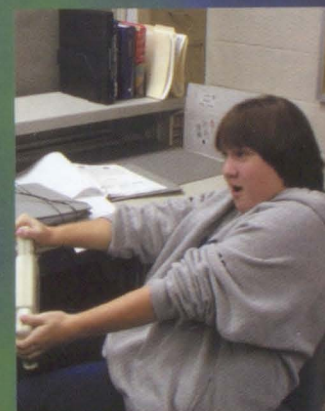

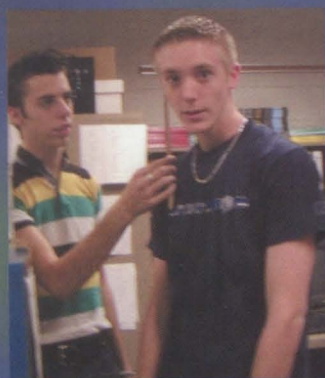

The time has come to go our own separate ways
As life stretches out before us like a maze
The future is out there, beyond our small scope
While the years to come shine brightly with hope

Dedicated to the Class of 2003
and the teachers who passed on their
Time and Knowledge.

Thank You!

- - Abraham Lincoln

- Though no one can go back and make a brand new start, anyone can start from now and make a brand new ending.

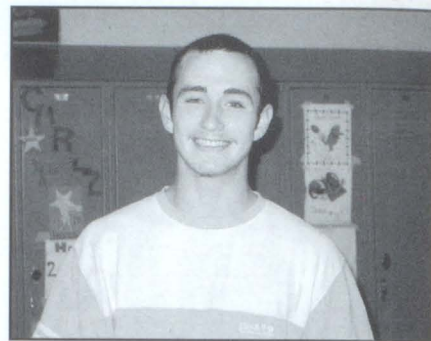

- - Anonymous

Throughout the year, the team improved. The beginning of the year started with two sophmores and two Freshman on varsity. Although it was a challenge the girls effectively pulled together to play different roles on the team. The two highlights of the year were wins against North Branch Wesleyan and Caro both at home.

Bethany Kolaczynski

Dear Bethany,

You make us proud. You are a wonderful, beautiful young woman with integrity, confidence and strength. You will go far with those qualities. Our favorite thing about you, though, is how you love your family. We all love you and you have been a joy to us all. You will be a blessing to that big wide world out there and we wish all those blessings to return your way.

Love and Kisses,

Dad, Mom, David, Katie, and Olivia

Sarah Durand

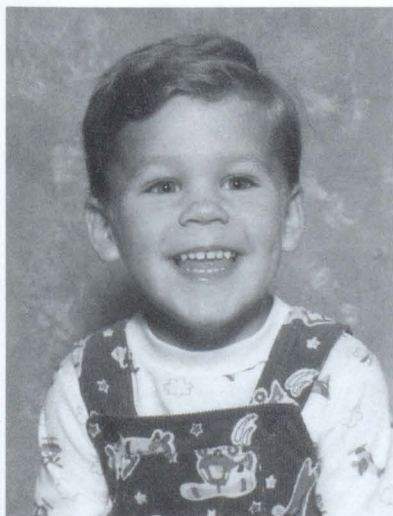

Nature doesn't demand that we be perfect, it only requires that we grow. You have experienced, lived, and learned more than most, and have grown into a strong young lady that we are very proud of. Continue to stand up for your beliefs.

We Love You,
Mom, Bill, & Christopher

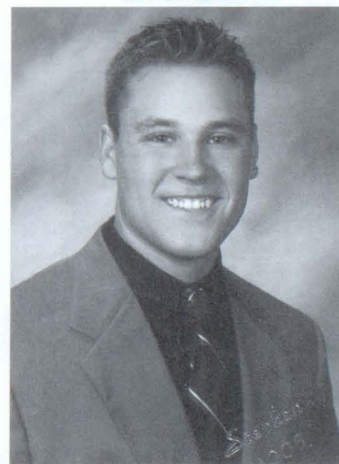

Stephen Pfeifer

Time Of Your Life
Another turning point
A fork stuck in the road
Time grabs you by the wrist
Directs you where to go
So make the best of this test
And don't ask why
It's not a question
But a lesson learned in time
It's something unpredictable
But in the end is right
I hope you had the time of your life
So take the photographs
And still frames in your mind
Hang it on a shelf of
Good health and good time
Tattoos of memories
And dead skin on trial
For what it's worth
It was worth all the while
It's something unpredictable
But in the end it's right
I hope you had the time of your life.

Stephen,
We're proud of the
path you have chosen.

Love,
Mom, Dad, and
Brendan

Kristen Hudson

Dearest Kristen,

We are so proud of you. Strive to do your very best and follow your heart. Believe in yourself as we believe in you. Remember, you cannot change yesterday, do the very best you can today, and always try to make tomorrow better.

We've always had an amazing connection and that will never change. No matter where life takes us, you can always count on me. The bond between sisters can never be broken.

I love you very much and wish you the best in life. Believe in yourself and never be afraid to follow your dreams. Congrats Sweetie.

*You must bloom where you are planted
in the garden we call life,
And bring some special beauty to
each corner where there's strife.*

*Perhaps you're but a dandelion,
wishing you were a rose,
Yet in this place of growing things,
you're the one God chose.*

*It's up to you to finish what
the good lord has begun,
By growing just the way you should
and face the rising sun.*

*There's room for you, if you but choose
in a glorious array
Of beauty from God's garden,
That he'll add to his bouquet.*

*Tara,
We've been through a lot in your 18 years,
both good and bad. But through it all you've
become a beautiful, strong, and courageous
young woman. I am proud of you and always
will be. You'll always have that special place
in my heart that no one can replace. I love you
today and always. Believe in yourself and that
smile on your face. The future is yours!*

I love you, Mom

Benjamin James Barnett

You are a blessing to us. We thank God for your life. The Bible says, "We went through fire and water; but You, God, brought us out to rich fulfillment." (Psalm 66:12). Life can be tough, and our family has seen some of that, but you are part of the rich fulfillment. Seeing you smile, hearing you laugh, it is a sunbeam from the shores of Heaven. Remember, you will never walk alone, and the love of 5 will endure forever: God's love, and the love of mom, dad, Jon, & Karen.

We love you, your family.

Nicole Eberling

Nicole, you were brought into this world unexpectedly but for a purpose that you may never understand. We were so young and naive but had to understand that we needed to mature to watch you grow into such a beautiful and knowledgeable young woman. Your life is now just beginning and you must remember one thing, keep your bearings straight, and know what you want to accomplish, for goals are the most important aspect of one's life, young or old. As you embark on this continued journey of life you will be faced with difficult times. You must learn from these and grow, for as long as problems only happen once, they are a learning experience. Whether you turn to the right or left, your ears will hear a voice behind you, saying, "This is the way walk in it." Isaiah 30:21

Love Mom, Dad, Tara, and Lauren.

Nicole Hills "Smith"

WE ARE SO PROUD OF YOU! YOU WILL ALWAYS BE OUR

NEVER GO WRONG!

God has gifted you with unbelievable talents. Your determination, stamina, and strength make you a giant. Keep up your writing, for one day many will enjoy reading them. You keep a smile on our faces always! I know you will succeed in anything you set your mind to.

Amanda Rose Williamson

Dear Amanda,

On March 7, 1985. God blessed us with a very precious gift. ("you" our beautiful Rose).

When you were small
We wiped your tears
We shooed away your fears
Always wanting to know why
And never wanting to go along with the program
As we watch you walk toward your future
Many times you will walk alone
And your future is your own
Know that we will always be there

May all your dreams come true. Remember to always believe in yourself and put God first and your life will be full of joy. Your achievements and abilities as a person have made us proud. We believe in you and LOVE YOU VERY MUCH!

LOVE ALWAYS

To singing a song.
Your father and I,
Knew it wouldn't be long.
Your school days complete,
College soon to begin.
Whatever you choose,
We know you will win.
Keep your eyes on the Lord,
And a song in your heart.
A cheer on your lips,
And get ready to start.
New things are coming,
We're sure you'll succeed.
In whatever you choose,
We know you will lead.
You have courage and strength,
In all that you do.
A kind heart and the faith,
To make your dreams come true.

Courage rests on self-confidence. Self confidence can be obtained through firmness of purpose. Look wisely to improve the present by listening, learning, and through faith and performance you shall succeed. And remember, we never know how high we are, until we are called to rise; and then, if we are true to plan, our statures touch the skies.

God Bless You!
Love,
Mom

Sarah Durand

"Finish each day and be done with it. You have done what you could; some blunders and absurdities have crept in; forget them as soon as you can. Tomorrow is a new day; you shall begin it serenely and with too high a spirit to be encumbered with your old nonsense."

-Ralph Waldo Emerson

Good luck with everything that you do, congratulations on making it one step further in this journey of life.

Standing by,
All the way.
Here to help you through your day.

Holding you up,
When you are weak,
Helping you find what it is you seek.

Catching your tears,
When you cry.
Pulling you through when the tide is high.
Absorbing your voice

When you talk.
Standing by when you learn to walk.
Just being there,
Through thick and thin,
All just to say, you are my friend.

Love Always,
Sarah
